

John Davi

**CEO, CIO and Founder, Astoria Portfolio Advisors
Portfolio Manager, AXS Astoria Inflation Sensitive ETF (PPI)**

Astoria's founder, John Davi, is an award-winning research strategist and has over 20 years of experience as an ETF industry leader and innovator. Mr. Davi's groundbreaking work has spanned across quantitative research, portfolio construction and ETF strategies. He is the lead portfolio manager for the AXS Astoria Inflation Sensitive ETF (PPI).

Before founding Astoria, Mr. Davi was the head of Morgan Stanley's Institutional ETF Content and advised many of the world's largest hedge funds and asset managers on ETF portfolio construction. He published hundreds of reports in his research career across a variety of topics ranging from ETFs and global market indices to futures, structured products and other investments for institutional and individual investors.

Mr. Davi began his career in 2000 in ETF research in Merrill Lynch's Global Equity Derivatives Research group. He structured ETF portfolio solutions as early as 2002 for Merrill Lynch's client base for whom several billion in assets were raised and executed.

His research has been recognized and featured across leading financial media channels, including on ETF.com, ETF Trends, Inside ETFs and Institutional Investor Magazine. Mr. Davi is a regular contributor to CNBC, Bloomberg, and other media outlets. He was recognized by Bloomberg as an "ETF Master Chef."

Astoria Portfolio Advisors is a leading investment management firm and ETF Strategist, specializing in research driven, multi-asset ETF and thematic equity portfolio construction. The firm's services include investment management, research and sub-advisory services.

There are risks involved with investing including the possible loss of principal. Past performance does not guarantee future results.
